**16<sup>th</sup> Hole – Update**

I would like to take this opportunity to provide an update on the 16<sup>th</sup>.

1. The Green Committee has not taken any decisions on the 16<sup>th</sup>
2. We are considering how to address the issues surrounding the 16th having taken on board the comments and feedback from the membership
3. We expect to revert to the membership in the first quarter of 2012 with an update after we have considered our options and have obtained firm pricing

In the meantime, please contact George or myself with any questions or comments.

**Chairman, Green Committee**
